

INSTRUCTIONS FOR QUESTION PAPER

STEP 1

Fill in your **QUESTION PAPER NUMBER**, which consists of **five numbers**, in the **five blocks** on the optical chart. The question paper number is printed in red in the top right-hand corner of the paper.

STEP 2

Fully colour in the corresponding circle that is directly below each number so that the number inside each circle is no longer visible. Once a circle has been coloured in, it should look like this: ●

STEP 3

Colour in the full area of the circles of your current grade as well as the required information. Remember, in the case of question 2, only **one home language** should be coloured in.

STEP 4

Do not begin to answer the question paper before the invigilator is satisfied that all required information on the front page of the optical chart has been filled in correctly.

STEP 5

Turn over the optical chart and answer the questions by clearly colouring in the appropriate circles in sections 1, 2, 3. Each question has only **one** correct answer. Answers are marked positively. Marks are not subtracted for incorrect answers.

Section 1 has 25 multiple-choice questions.

Section 2 has 20 multiple-choice questions.

Section 3 has 15 multiple-choice questions.

Section 4 has 10 open questions.

Also complete the **open questions** on the optical chart, as well as the other sections required.

STEP 6

You may keep your question paper. For own use, mark your answers on the question paper so that you can check them against the memorandum which will be forwarded to your school in due course.
